Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

A huge welcome back to all of you following our Easter break. The children have settled back well and we have lots of exciting things to share with you both in terms of the curriculum and extra- curricular activities, many of which are attached to this newsletter. Please see below for some great opportunities for your child in terms of the Arts and sports. You may have been told about some strange rockets and alien goings-on in school - more on this later!!

Liz Latham

As a school we are following Government guidelines to stay safe. <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

Nursery Places- urgent!

Do you have a child who is due to start nursery in September? If your child was born between Sept 2017 and Aug 2018 then you could give your child the best start to their school days by signing up for our nursery. We are happy to offer any combination of hours (30 / 15 or even full time school hours!) Contact the school office to find out more and book your place before they're all gone!

Can you kick it?!
