## Purple Post

Issue 245

### Principal's Message

*We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.*

*A very warm welcome back to the first part of the Summer term! This is a great term for taking learning outside with our Forest Schools commitment as well as our exciting residential experiences for Year 4 and Year 6. There are also lots of opportunities coming up to get involved in the great outdoors- making seed bombs in the playground yesterday was a huge success! Please do keep checking the website and newsletter for updates involving events in school.*

*Liz Latham*

As a school we are still following Government guidelines to stay safe. <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

We made it on to the One Show! Please use the link to our website above to see the broadcast of our amazing Y6 pupils and the Purple Pounds financial system that we run in school- how exiting to be on the tele! Well done to everyone involved.

So many of you attended the seed bomb event in the playground yesterday where children and adults made some seed bombs to take away- let's hope that your gardens are soon filled with beautiful flowers!
