Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

One of the best parts of my job as Principal is to enjoy the many successes and achievements of our wonderful pupils- this week I could not be more proud of our amazing Y6 pupils who have worked so very hard in their SATs. They have shown such maturity, resilience and good humour through it all - we're looking forward to receiving the results on July 5th - but we don't need SATs results to tell us what we already know - that our Y6 are incredible young people who deserve every credit for who they are as well as what they achieve.

Everyone in school says a huge WELL DONE!

Liz Latham

As a school we are still following Government guidelines to stay safe. <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

Coming Soon!

We've joined with other local schools in a competition coming very soon – the theme will be around Internet Safety and you could win a laptop for your family! Ask your child for more details early next week!

Table Tennis Time?!

Is your child in Y4 or 5? Do they enjoy playing table tennis or would they like to learn how to play?

Look out for more details in the next couple of weeks if you are interested – places will be limited and on a first come first served basis!
