## Principal's Message

*We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.*

*I realise that it's only been 1 week since our last newsletter - we're issuing this one to update you on some of the events and activities that have been happening in school over the last 3 weeks as well as to give you some reminders and information about various things in school.*

*Please do take the time to have a read as this is a great way to keep up with lots of details about things happening in school and any changes/ new things you need to be aware of!*

*As always, thanks for your support.*

*Liz Latham*

*Principal*

## Packed lunch health and safety

Please be reminded that we are a healthy school who encourage healthy options both for paid lunches and packed lunches provided from home. As lunchboxes are not refrigerated, please do not send your child with cooked prawns or shellfish – these should always be kept refrigerated. Cold burgers/ fast food are not considered to be healthy options. **Please do not send your child to school with anything that contains nuts.** For more information, advice and tips on providing a healthy, nutritious packed lunch, please click

We'll be arranging a 'harvest collection' for donation to a local foodbank – look out for further details soon.

## Year 6 Careers Fair

Year 6 had a very important Careers Fair to attend to find out all about the jobs they can apply for as part of our Purple Pounds

Economy. This was very successful with the vast majority of pupils applying for a range of jobs. Huge thanks to Mrs Dar who came in to talk to pupils about writing an application form as well as staging a 'mock' interview – very much appreciated. Real interviews will take place early next week – good luck everyone!

OVERALL WINNER

Building upon the national success of Operation Encompass (Police in all 43 forces in England and Wales sharing information with schools about children experiencing domestic abuse) Leicestershire police are expanding the information that they are sharing confidentially with the safeguarding leads in Leicestershire schools.

From the 19<sup>th</sup> of September 2022 they have began a phased rollout across the Police Force sharing with us incidents that they have attended where they feel there has been an impact upon a child's physical, emotional or mental well-being.

We are thrilled the force has made this decision as this confidential information will help us to support and care for the children in our care even more effectively.

More information about Operation Encompass including their statement can be found on their website [www.operationencompass.org](http://www.operationencompass.org)

As part of the Operation Encompass Information Sharing Platform our Police Force will also share with the Designated Safeguarding Lead information about police attended incidents where they feel that there has been a tangible impact upon a child is physical, emotional or mental well-being.

This information is shared so that our school can better understand children's living experience and can support, nurture and care for them more effectively.

Our DSL has attended a briefing about this information sharing and has disseminated information to the safeguarding governor and to all members of staff.
