Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

It was wonderful to welcome so many of you into school over the last couple of days for Parents' Evenings - it's always great to share the brilliant things your child has been doing in class and to celebrate their learning and progress. We will be in touch if you weren't able to make it so that we can arrange a time for you to catch up on what's been going on!

The clocks have gone back and winter is on the way - with this in mind, please make sure your child has a coat everyday for those sudden weather changes that we know so well!

Thanks.

Liz Latham
