

Read and work out what mini beast I am.

You could draw a picture from the description.

I am a stripy bug.

I have a fuzzy, furry body.

Do you know what colour I am? I am Yellow and black.

Along with my friends, we like to make honey.

I live in a hive hidden in a tall tree.

Sometimes I can sting you! Ouch!

My favourite thing to do is land on pretty flowers.

I collect nectar from the smelly flowers.

What am I?

Often people are scared of me.

They scream when see me. Ahhhhhhhh!

I make my own house called a web.

My 8 legs are long and thin.

I can crawl slowly or run quickly into your houses.

I can be poisonous and bite you!

Normally I am black.

What am I?
