

## Operation Sneeze Attack – Main Clauses

- *Cut out the main clauses*
- *Put them in order*
- *Try adding the adverbials before and after one main clause at a time.*
- *Read them aloud to choose the best.*
- *When you have finished, write out some of your new sentences.*

Hiccup led the novices

the boys stole clothes

Fireworm hissed

the dragons collected the feathers

the dragons dropped the feather bombs

## Operation Sneeze Attack – Adverbials

first of all

for the feather bombs

from the village

with great cunning

as the dragons circled overhead

to the beach

on the Green Death

with precision

irritatingly

finally

in the Green Death's ear

- *Cut out and try adding these adverbials before and after one main clause at a time*
