

Paragraphs

Write some paragraphs about your own family.

Your first paragraph should give an overview/introduction about the theme/subject	Names Male or female Ages Where you live Relationship to you
Second paragraph. Choose a family member to describe. Remember to describe them physically and how they act.	Looks Likes Dislikes Pass times Job or school
Third paragraph. Choose another family member to describe. Remember to describe them physically and how they act.	Looks Likes Dislikes Pass times Job or school
Start a new paragraph for each family member. You may repeat for pets	Type of animal/age Looks Likes

A paragraph is a group of sentences that deals with one idea or topic. Paragraphs make long pieces of writing easier to read and understand.
