

F2 Home Learning

Shape, Space and Measure

27th April 2020:

Go on a 3D shape hunt around your home to see if you can find objects that are the same shape as a;

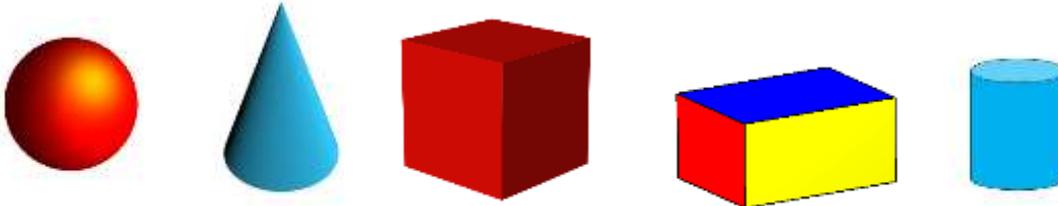

sphere

cone

cube

cuboid

cylinder.

Record how many you find. Which was the most popular shape?

28th April 2020:

 **Maths Homework Challenge!**

Who's the tallest and shortest in your family? Draw a picture of them and write their names.
How did you find out?

Card 7

Can you explain your answers for example "My dad is the tallest because..."

 **Maths Homework Challenge!**

Pick 5 favourite toys. Which is the heaviest? Which is the lightest? Draw a picture of the heaviest and lightest.

Card 6

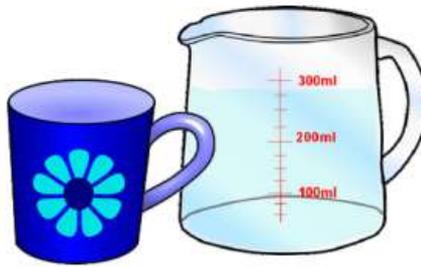

Can you explain your answers for example "My teddy is the lightest because..."

1st May 2020:

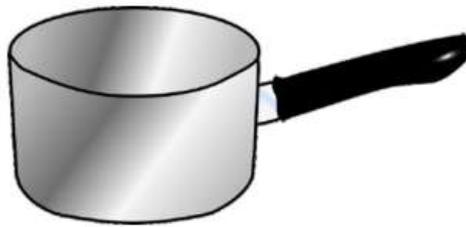

Maths Homework Challenge!

How many mugs of water does it take to fill a pan?

Then guess how many *jugs* will fill a pan.
Write down your guess and then count.
Did you guess right?
How many more mugs were needed?

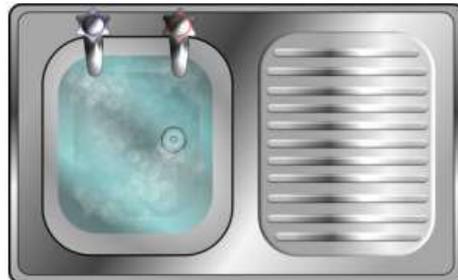

Card 9

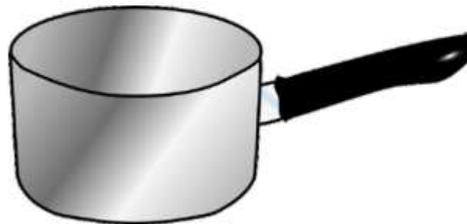

Maths Homework Challenge!

How many pans of water does it take to fill the sink?

Then guess how many *jugs* will fill the sink.
Write down your guess and then count.
Did you guess right?
Did you need more or less jugs to fill the sink?

Card 16
